

KAMILI ORGANISATION
Supporting those with mental health issues

Scholarship!!!

Are you a Kenyan Registered Nurse with at least two years' post registration experience in a community placement?

Are you a team player who, alongside being a nurse, has the ability to plan events and manage projects?

The Directors of Kamili Organisation are inviting applicants for a scholarship to complete their mental health training at Mathari Medical Training College and through placements at Kamili Organisation. These are unusual opportunities for exceptional candidates working with an organisation that has built up a unique reputation.

Please apply by email before 17th March 2019 to kenyakamili@gmail.com, attaching your full CV. You should also state, in not more than 200 words, what you could bring to Kamili, describing the problems that you face in your work with mental health and how Kamili could help to address this in the future.
